Subject: Cidery TUP | hours

Hi Daniel,

What a week it’s been. After discussing with several people over the past few days, some people seem to be interpreting the proposed hours as our actual opening hours, 365 days a year. This is obviously not the case, however I’d like to propose an adjustment to the hours in the TUP, to be revised to:

11am-7pm, 7 days a week.

If it’s possible to update this at the 11th hour, please do.

Our actual opening hours for this year, at least to start, will be 12pm-4pm Th-Sun – and we’ll see how it goes.

Thanks!
Rob
